

## Integrated Recruitment Services

Staff recruitment and selection can be very time consuming. There are often tons of steps before you can hire someone with the right skills, experience and personality.

In today's fast-paced business environment, leveraging external support from reliable recruitment professionals will enhance your in-house strengths while releasing your time for other important business objectives.

W Consulting is dedicated to provide an *integrated recruitment package* to address your hiring needs – ranging from individual executive search to high-volume talent recruitment.

### Our Recruitment Approach

## W Consulting Company Limited

**Your Strategic Partner in Talent Acquisition –  
Offering You the Best Hiring Experience**

### **Why W Consulting?**

- We are concerned about the **QUALITY** of the candidates we presented, **not the quantity** – we will only recommend candidates who match most of your job requirements
- We are dedicated to take a reliable and scientific screening approach - conduct **competency-based interview** for all candidates
- We are able to support your talent selection with **validated psychometric assessment tools** from well-known global test developers, ensuring you make a valid hiring decision
- We offer the best candidate and client experience – receiving **positive feedback** from **more than 90%** of our clients and candidates
- We not only target at collaborating with clients on a need basis, but establishing **long-term relationships** with clients to collaboratively resolve their internal staffing challenges

As a **professional recruitment consulting firm**, we focus on providing the following recruitment-related solutions and consulting services:

- Permanent /contract staff recruitment & selection
- Hiring for all job functions, from junior to executive level
- Competency-based recruitment and consultancy advices on competency-based interview techniques
- Psychometric Assessment - ability, personality and work motivation
- Staffing Strategy – recruitment, candidate sourcing and staff retention strategies
- Talent Audit – assisting an organization to improve overall team readiness in achieving business goals
